

New Resources at Stitt Library (Fall 2017)

New journal content

[JSTOR: Religion and Theology Archive Collection](#)

What is it?: The JSTOR: Religion and Theology archive collection includes full-text access to back issues of over 120 journals covering the history and philosophy of religious thought.

How to access it: These journal titles have been integrated into Sophi Search and, in combination with our other subscriptions, access to more current content may be found there. The journals can also be accessed individually using the JSTOR interface through **Research Tools | Journals | JSTOR**

New e-books

[Hermeneia: A Critical and Historical Commentary on the Bible](#)

What is it?: This collection contains fifty volumes from the Hermeneia Bible Commentary series. "Hermeneia is designed for the serious student of the Bible. It makes full use of ancient Semitic and classical languages; at the same time, English translations of all comparative materials—Greek, Latin, Canaanite, or Akkadian—are supplied alongside the citation of the source in its original language. The aim is to provide the scholar with full critical discussion of each problem of interpretation and with the primary data upon which the discussion is based." (from the Project Muse description)

How to access it: All content is available in Sophi Search. You can also access the Project Muse interface directly through **Research tools | e-Books | Hermeneia**

[e-Reference Books \(Gale Virtual Reference Library\)](#)

What is it?: A growing collection of e-reference books on religion and theology. Includes *The Cambridge Dictionary of Christian Theology*, *Voices of Early Christianity: Documents from the Origins of Christianity*, and the *Macmillan Interdisciplinary Handbooks* ten volume Religion series.

How to access it: All content is available in Sophi Search. You can also access a list of the Gale resources with links through **Research Tools | e-books | e-Reference Books (Gale Virtual Reference Library)**

[Credo](#)

What is it?: We added 16 new reference titles to our Credo collection this summer, including *African American Religious Cultures*; *Ashgate Companion to World Methodism*; *Bioethics: the basics*; *Key Theological Thinkers: From Modern to Postmodern*, and numerous commentaries. These join our other e-reference works on Credo to form a collection of almost 60 fully-searchable volumes in an easy-to-use, updated interface.

How to access it: **Research tools | Databases | Credo**

[EBSCO eBooks](#)

What is it?: We added over 100 new e-books to the EBSCO eBooks collection this spring and summer, including *Buddha, Jesus and Muhammad : A Comparative Study*; *Understanding the Islamic Scripture*; *A More Radical Gospel : Essays on Eschatology, Authority, Atonement, and Ecumenism*, and many high-demand commentaries.

How to access it: All content is available in Sophi Search. You can also access the EBSCO eBooks search page through **Research Tools | e-books | Access EBSCO eBooks**
