

Latinx Renewal Grants

Application Instructions

Download a copy of the Application and save it to your computer. This way, you will be able to save information into the application form as you go. When your cohort has completed the application, you will email it to ebw@austinseminary.edu. No applications will be accepted after the deadline.

The entire application must be filled out to be considered complete. Your leadership team's answers to questions will be limited to the space provided—no additional attachments will be accepted.

MAC Users: Please fill out this form using Adobe Reader and **not** MAC Preview.

If you have any technical difficulties with the CPL application, please send your questions to: ebw@austinseminary.edu.

Section One

Description of Church:

Here you will provide your mission statement, the year the church was founded, the number of paid staff, the primary languages spoken in your church, and any denominational affiliations you have. Next is a description of your congregation. This might include the number and general ages of people in your church and anything else you would like to share. This is followed by individual names and contact information for each leadership team member, with space to share each person's role and length of time in leadership.

Primary Contact

Designate one member of the cohort to be the group's main contact person with the seminary.

Section Two

As a leadership team, answer the questions in the spaces provided.

1. What need do you want to meet with this grant (word limit: 250)?
2. How will you use the grant to meet your need?
 - a. Narrative description (what you are going to do, word limit: 500)

Please note that the *Narrative Description* section spans two pages. Your answer for that section will fit in two text boxes which are not connected—i.e. you will not be able to write continuously from one to the next, so you will need to format each text box separately to appear as one answer. In this section, describe the activities you have planned and show how they will meet your needs.

- b. Resources you will use – books, speakers, videos, etc. (limit to visible space on page)
- c. Timeline of actions—Begin with July 1, 2021; end with July 1, 2022. (limit to visible space on page)

Budget proposal

The budget proposal is formatted as a table. The first column is formatted as text to allow flexibility in how you describe your budget. The last column is formatted as a number and can only be used for this purpose. Limit to page provided.

Section Three

The last question should be answered as a group, “What do you hope will happen as a result of what you do?” Limit your response to 250 words.

Be careful in your responses not to exceed word limits OR the visible space provided in each box. The applications will be printed out; therefore, the reviewers will not have the ability to scroll down on any boxes where the text is longer than the visible space on the page.

When you are finished, email your completed applications to ebw@austinseminary.edu no later than 11:59 pm CST on May 14, 2021. Awardees will be notified by June 25, 2021.
